

JUNIOR PERFORMANCE PROGRAM 2018

CARMEL VALLEY RANCH

The Professional Golf Staff at Carmel Valley Ranch is excited to announce a new approach to our Junior Golf Program. As of April 7, 2018, the program's philosophy will mirror that of the Titleist Performance Institute and will embrace two key principles:

- 1. Create Athletes first, then Golfers.** We believe it is much easier to create a great golfer out of a great athlete.
- 2. Golf is a hard skill to learn.** It takes a lot of time and effort to become proficient, so our junior program must be *fun*. Juniors must enjoy playing in order to spend the time necessary to improve. That said, we encourage our juniors to play as many other sports as possible in order to become well-rounded athletes.

We are offering three grade levels, each with an on-course component:

LEVEL 1: FUN - Grades K-2, Saturdays 1:00p-2:00p The main focus for our youngest golfers is to create an athlete out of each of them. We will also work on basic golf skills such as grip, stance and alignment.

LEVEL 2: PLAY - Grades 3-5, Saturdays 2:00p-3:15p Children will learn everything they need to know about how to swing, putt, chip, pitch and hit bunker shots. We will also help them maintain their athleticism during these years.

LEVEL 3: TRAIN - Grades 6-8, Saturdays 3:15p-4:30p The main focus at this level is to help Junior Golfers learn how to practice. We will work on improving speed and agility.

Price is on a monthly basis; when you register your child, he or she will be signed up for a calendar month. There is also a \$50 annual fee that includes the cost of a hat and shirt.

GOLF MEMBERS: \$100/month • **RIVER RANCH MEMBERS:** \$140/month

OUTSIDE GUESTS: \$160/month
