Ready to pop the question to your S.O. but not really sure how or where to do it? We get it. It's not easy to come up with a romantic proposal (like this one in Iceland) that your partner will remember for the rest of their life (#nopressure).

Fortunately, many resorts and hotels around the world offer plenty of good ideas so all you have to do is show up and, well, pop the question. Whether you prefer an intimate and cozy New England setting or the quintessential California backdrop for one of the most important moments in your life, we rounded up six dreamy and exclusive proposal packages in the country and abroad.
