

12 Amazing Pet-Friendly Hotels in the U.S.

Leigh Crandall

CARMEL VALLEY RANCH IN CARMEL, CALIFORNIA

As you arrive at the Carmel Valley Ranch, you're likely to spot the resort's English bulldog, Roxy, who presides over the lobby. Pets will love exploring the 500-acre property and, once they've worked up an appetite, can dine from the pooch-friendly room service menu that includes treats like beef marrow bones and ground beef with whipped potatoes and garden vegetables.
