Best Chicken Wings in the U.S.

From a cult Korean wings spot featuring exquisitely crispy fried chicken to elegant confit deboned wings from genius chef José Andrés, F&W names America's best chicken wings. —Reporting by Alessandra Bulow and Kate Krader

Honey-Chile Chicken Wings

Bees from the ranch's on-site apiary make the honey used in these wings' sweet, sticky and salty soy-and-honey glaze. Chef Tim Wood avoids the deep fryer and opts to broil or grill the honey-chile chicken wings, which develops fantastic flavor. carmelvalleyranch.com
